Done

2)Credit Memo.

In the beginning to make a credit memo you have two option

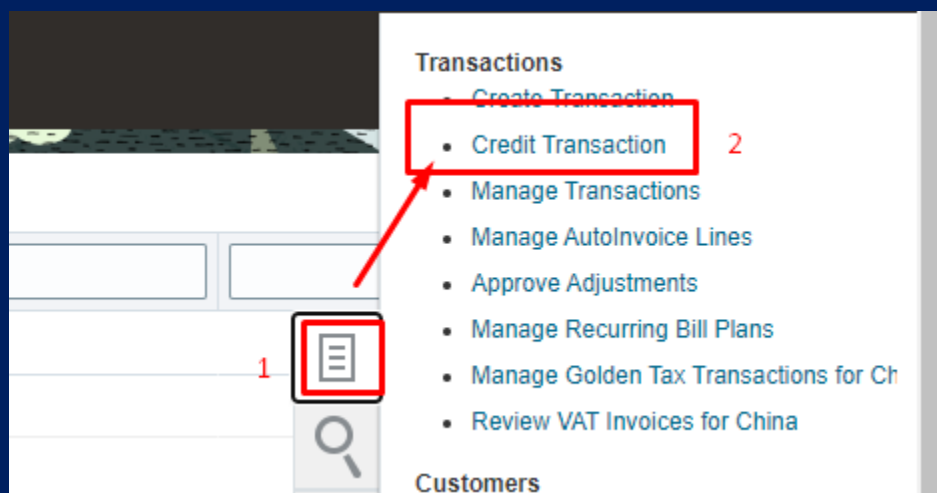

i)credit memo for transaction

ii)credit memo for Customer balance (not on specific invoice)

i)credit memo for invoice

-To make a credit memo you have to Create A/R Invoice like we explain in [element no.1](#)), After that start to make credit memo.

We start by choosing Receivable<<Billing. **Figure i)2.1**

First step, Is to match original invoice if you have number of invoice you can put it directly if you haven't the invoice number press on search to find it. **Figure i)2.2**

You can search by any criteria you want like (date of invoice , number ,bill to customer,..) then press on search button

Will appear invoice select it then press OK. **Figure i)2.3**

Search and Select: Original Transaction Number

Advanced

** At least one is required

Transaction Source:

Transaction Number:

Transaction Date: 4/3/24

Currency:

Bill-to Customer:
